All proceeds from the sale of YogaG products support our mission: uniting the mind, body and spirit through the gift of yoga instruction (and a mat, too!) to enhance the healing journey of women and children living in domestic violence shelters.

The ornaments were created exclusively for YogaG by
Primitive Twig artists, Marcia & Bill Finks.

The ornaments are made using rusted steel and hand-painted by Marcia.

Primitive Twig has been a mainstay in Sundance Catalogue and graces the walls of collectors. Marcia & Bill's art has appeared in Newsweek, House & Garden, Elle Decor, House Beautiful, The Chicago Tribune, Country Living HG TV, Home Magazine & Martha Stewart Living. Their work is currently being showcased at Bergdorf Goodman in NYC.

YogaG is a 501(c)(3) organization; www.yogaG.org
