The Rape/Sexual Assault Counseling & Advocacy Program of Family Resources, Inc. invites you to celebrate our annual "Honor the Women In Your Life" event. The purpose of this unique event is to raise awareness about the issue of sexual violence in our community. Although the issue is serious the event itself is a celebration, a celebration of women, their skills, abilities, and contributions to the community.

The Rape/Sexual Assault Program provides much needed services to victims and their families. Clients receive medical and legal advocacy, counseling and access to other services provided by our community partners. Emergency services are available 24 hours a day by calling either our Iowa or Illinois crisis line.

The event will be hosted by St. Ambrose University in Davenport and will be held at the Rogalski Center on campus. SAU President Sr. Joan Lescinski is our featured speaker and Mike Mickle returns as emcee. Attendees will enjoy a continental breakfast and a chance fabulous prizes.

We hope you are able to join us this year to celebrate the women in your life.
