

Last year the Violence Intervention Counseling Services of Family Resources, Inc. received more than 6,000 calls to our crisis lines, assisted more than 1,300 survivors of domestic violence in our walk-in program, served more than 300 women and children in our domestic violence shelter and provided counseling and advocacy to over 350 survivors of rape/sexual assault. Join us August 1st to show your support of survivors/victims of domestic and sexual violence and help to promote a safe, and non-violent community.
